EXPERIENCE

Author
N/A

2016 – Present
United Kingdom

Independently write, design, and market fiction books across various genres, demanding a unique blend of creativity, project management and marketing skills. Crafting visually appealing book covers showcases an attention to detail and aesthetics. Implementing marketing strategies underscore the ability to analyse market trends and algorithms to adapt promotional approaches.

Japanese to English Translator

2015 – 2016

Gengo

Remote

Facilitated cross-cultural communication by translating diverse documents, ensuring linguistic accuracy and cultural nuances. The role emphasized meticulous attention to detail through thorough reviews and proofreading, requiring flexibility and organisational skills in order to adapt to tight deadlines.

English Teacher

2013 – 2015

Nova English School

Tokyo, Japan

Cultivated a dynamic learning environment to enhance students' language proficiency and foster a passion for English through devising creative lesson plans and adapting communication methods to teach complex grammar concepts in a simple and effective manner.
